Andrea informed the meeting that since the course updates are now in competition with the legislation, that the issue will probably go to the back burner.

Frontiers of Flight received \$45,000 worth of damage from recent storms in the area and they are a non-profit organization. The board voted to donate \$1000 to the museum and asked for input from everyone in attendance.

## **Legislative Updates—Andrea Wilson**

9-1-1 Saves Act was sent to the Senate as it passed in Congress. However, it was tied to a bigger law and isn't expected to pass.

Andrea stated that we will need members to help with the curriculum for the licensing course when it passes and is approved.
